which the Century Magazine occupies
which, did damage to the extent of \$150,000.
on Saturday morning.

Fire Thursday morning destroyed
village of Glendale. Nearly every
business place and forty residences were
burned. Hundreds of people are homeless.
Judge Walter C. Gresham called Santa
Barbara for Europe. He will be absent
two months, returning in time to assist
the campaign.

A slight shock of earthquake, lasting
one minute, was felt at Bellevue,
Madoc, Tweed and Harkworth, Can., at
12 o'clock Sunday night.

Twenty-five alarms of fire and fifteen
cidents, and fatal and others more or
less serious, sum up the consequences of
handling of Fourth of July fireworks at
Boston.

Fire destroyed eight blocks in the
of Suisun City, California, Tuesday
ing. Sixty deaths of the town was com-
ing. It is impossible as yet to estimate

David Clark and wife of Sandwich, were found hanging in a corn crib Sunday evening. They left a paper signed by saying, "They died for each other." Clark was 39 years old and had been married 20 years.

A violent thunder storm passed six miles south of Concord, N. H., Thursday evening. Friday morning's reports said that many fruit and shade trees were blown down, many houses were destroyed, fences prostrated and buildings damaged.

A coal train on the way to Montpelier Junction, N. J., Thursday evening, passing through the village of Dayton, was struck by a cyclone, and the conductors and two train men were blown from the train and fatally hurt.

On the Fourth of July, the fire was formally notified of his nomination in Indianapolis, Ind., by the homecoming from the republican national convention. He made a brief speech, but replied later in a letter of acceptance.

No little excitement was widespread among the property owners and business men on the frequent incendiary fires having been three within five days and to be of incendiary origin, while there were several others of a suspicious character.

George W. Hovey, of New Brunswick has used Emerson Wright and the field (Mass.) Union Company for the death of his son on March 10 for the tenth suit of the same kind on the night of March 6. The

The Fourth was made the occasion for the annual celebration of the anniversary of the Declaration of Independence, by the erection of a monument to the memory of John Hancock, the first signer of the Declaration of Independence. The monument is a gift of the people of the town of Newburyport, Mass. It is a granite monument, and is the work of the sculptor, Mr. J. C. Smith, of Newburyport. It is a monument to the memory of John Hancock, the first signer of the Declaration of Independence. It is a granite monument, and is the work of the sculptor, Mr. J. C. Smith, of Newburyport. It is a monument to the memory of John Hancock, the first signer of the Declaration of Independence. It is a granite monument, and is the work of the sculptor, Mr. J. C. Smith, of Newburyport.

Reports of constitution and poverty from the northern parts of Newfoundland from deaths from starvation are not new. T. F. Thompson writes from Grigg's Cove, 29: "A great many people are suffering. Thirteen families are on the verge of starvation. The same condition exists all over the island." Quilpon. There are no less than 100 families without food.

Ezra I. Allen, the balloonist, writes from his airship at Rebooth, 30th. He threw out of his airship a small pocket telegraph wire, a coil of rope in two, at the same time time a basket in such a manner that he was able to get out, and down he went to the water 20 feet below, while the balloon floated over, overcast, vest and a camera fell out into space. He was not

[illegible]

On the Pennsylvania railroad tracks, Pa., Friday morning, eight freight trains plunged into each other, smashing both engines and causing considerable damage. Two men were slightly injured, and a third was killed. The fatal accident was due to train No. 10, a freight train, crossing the northbound train at Nanticoke. It was reported that an accident was also caused by the carelessness, but has not been seen since.

The story of a bold highway robber who was shot dead on the Central Boulevard in Chicago

Evening of the Fourth, and at that time Henry Dunning and two of his friends were driving on the Boulevard in a wagon containing a large quantity of clothing in front of them. They leaped from the wagon, a sprang from a hiding place. His three friends were dragged away. Dunning and Sherman, on the ground, but the two friends were One of the thieves tore out of Sherman's shirt to get his stand. The thieves escaped.

A terribly devastating fire on Wednesday night in Iowa, on the Chicago, M. Paul railroad. The extent

over which the storm swept miles in length and nearly to the farming community, severe one. The loss in horses enormous. At Rathven the funnel shape and made it the limits, demolishing such as they could not reach. Both barns were demolished by press carried and overturned. An agricultural house belonging to Rookhouse, wrecked, and the roof of the Kirkwood hotel, the Mr. Tom Giff's dwelling were the ground. At Emmettsville church, the Burlington Northern railroad, and the residences were destroyed and Whitmore, building

scattered over many acres

Dr. A. L. Zarker, M.
It produced a great
regenerating effect in

Corra continues firm, but as prices are largely nominal, some quotations are for steam and steam mixed at 40¢ @ 41¢ per bush. Demand is for the 100 lbs on the basis of 43¢ @ 44¢ per bush. In future months the price of 2000 bush. July No. 2 white corn, and 2000 bush. year's average price. For each the closest prices are 41¢ and 44¢ each, making the price of 43¢ per bush.

Wheat. Bran is in fair demand, and is quoted at 10¢ per bush. of sorting at \$1.17 1/2, and winter at \$1.06 1/2 @ 1.08. Middlings are quoted at \$1.04. Seed wheat, sold at 95¢ on spot, and arrive.

GRAIN AND PRODUCE. The butchery and produce firm presents very few new arrivals this week. They are in good selling fairly, but have necessarily resorted to this week to advance prices of the Northern creamery coming in cold storage because the capital has been at the price fixed for it. Boston dairies are without material change in prices. Creamery condensed milk is at 22¢, but this price cannot be maintained for very long. The price of the milk is being stored in the city at 20¢ per bush. in car loads.

Butter. Butter is in fair demand, and is quoted at 20¢ per bush. in car loads.

Special Notices.

Desired in the Ohio Valley, is in progress at Cincinnati.

ROCKY MOUNTAIN POWDER Absolutely Pure.

This powder has been used by prominent chemists and is the only one of its kind which will stand the test of fire. It is the only one of its kind which will stand the test of fire. It is the only one of its kind which will stand the test of fire.

ROYAL BAKING POWDER Co. Ltd. London, England.

[illegible][illegible][illegible][illegible]

The demands for best cattle have been firm this week. The market for choice steers is 10¢ per lb. higher than the same grades sold for one week ago. The market for choice hogs is 10¢ per lb. higher than the same grades sold for one week ago. The market for choice sheep is 10¢ per lb. higher than the same grades sold for one week ago.

Wool. The market for wool is 10¢ per lb. higher than the same grades sold for one week ago. The market for choice sheep is 10¢ per lb. higher than the same grades sold for one week ago.

Sheep and Lambs. Nearly all the sheep and lambs to be sold from the West, sheep costing \$5.00, lambs \$2.00 per lb. weight. Western fat hogs were all owned by butchers, costing \$6.00 per lb. weight. Prices have not varied but a trifle for several weeks.

Aurora City Market.
(FORKED WEEK FOR THE MAIN FAIR)
 In this city, June 8th, Nathan L. Woods, aged 3 years, 5 months.
 In this city, June 8th, Mary E. widow of John L. Woods, aged 65 years, 10 months.

YANKEE HORSE RAKE.

The Manufacturers WARRANT THE "YANKEE" RAKE to have better wheels and shafts, and generally to be stronger and better made than any other rake in the market; to rake cleaner under all the various conditions of crops and surface than any other rake; to run smoother on the ground, scratching less and raising less dust than any other rake.

horse race; to be more easily handled as a sell than a buy.
It is the only complete self-dump rake made, no hand-lever
being needed.

THE CHALLENGE any one to show a broken dumping-gear on
any rake they have made.

THEY WARRANT the "YANKEE" more easily set up for work,
and more easily laid in places for storage, than any other.

THEY CLAIM THAT the "YANKEE" has been victorious in every
public trial in which it has competed, so that it is no longer a ques-
tion, "Which is the best Horse Rake?"

IF YOU WANT THE BEST, BUY THE YANKEE.
